Don – I've been corrected already. Delete Ballotti's name and title in the memos and replace it with:

Thomas R. Short, Acting Director
 Superfund Division

I think that the signature is for Tom Short, or did Doug get named as permanent Division director?

Subject: Public Notice for Panelyte PPA

Now that the Panelyte PPA is fully signed, we have to public notice it. Don knows how that is to be done, so he'll be taking the lead in getting that paperwork put together. Attached is a draft of the necessary routing memos and the draft Fed Reg notice (all in one doc). Don, please put all this into proper format and prepare the other paperwork that has to accompany the memos. I've attached an email from Kaiser that contains the various pieces of paperwork from the McClouth settlement, which I understand you are familiar with.

Diane has agreed to be the point of contact in the Fed Reg notice. Diane also suggested that the Division may want to do some outreach related to the PPA. Just make sure that the outreach doesn't begin until the Fed Reg notice is actually published. I'll be on leave beginning on February 18 for somewhere between 2 and 6 weeks. I will only be working minimally during that time. I, Don or Nicole will keep the Division apprised on the progress of the Fed Reg notice. At a minimum, I hope to get this in routing before my leave begins.

Separately, I'll send everyone a pdf of the fully executed AOC.

Don – thanks in advance.
